

# SWISS AUTHORIZED REPRESENTATIVE (CH-REP)

## Your Trusted Swiss Authorized Representative

As your Swiss Authorized Representative (CH-REP), we ensure your compliance with the Swiss medical device regulations. Our expert team takes on the responsibility of representing your company, ensuring your products meet all necessary requirements for smooth market access in Switzerland.

### Why Choose Us?

- **Regulatory Expertise:** We navigate every step with our knowledge of Swiss regulations.
- **Local Presence:** As your Swiss representative, we ensure quick and reliable communication with authorities.
- **Simple & Efficient:** Request your personalized offer online—fast, transparent, and hassle-free. Visit our website today for your online quote! [www.effectum-chrep.com](http://www.effectum-chrep.com)

Effectum CH-REP AG is proud to serve as a **Swiss representative for foreign clinical trial sponsors**, in compliance with the Swiss Ordinance on Clinical Trials with Medical Devices (ClinO-MD) effective July 1, 2020.

Contact us today to learn more about our services as a Swiss Clinical Study Representative for international sponsors.
